

Become a member of ISHMPR!

Guidelines

Membership Type

Membership to the Illinois Society for Healthcare Marketing and Public Relations (ISHMPR) is primarily for those who work at a healthcare organization. However, individuals and businesses working within healthcare marketing may also join.

Up to fourteen individuals from an organization may join using one organization membership.

Organizations that are part of larger groups (ex. a hospital or other organization within a health system) must join separately.

For a list of membership benefits, please visit http://ishmpr.org/benefits-of-membership/
